NOTES

Tell me and I forget. Teach me and I remember. Involve me and I learn.
Benjamin Franklin

NOTES

Learning is a treasure that will follow its owner everywhere.
Chinese Proverb

NOTES

Declare the past, diagnose the present, foretell the future.
Hippocrates

NOTES

Education is what remains after one has forgotten what one has learned in school.
Albert Einstein

NOTES

Research is formalized curiosity. It is poking and prying with a purpose.
